Seminar Overview

With all of the issues Romania has been facing, more and more young managers have been asking themselves "what can I do to build a career during such turbulent times?" There is no direct, easy to apply framework, simple 'best practices' that can be learned. Based on discussions with successful managers throughout the world, and most importantly throughout South-Eastern Europe who have built exceptional careers, we will present and above all discuss 10 "how to" tips to build one's career. These are tips that can help you grow your career both inside OR outside of the country!

2nd Session

"My Journey to the top" - The University of Sheffield graduates CEOs/Top managers will share their experience in achieving a top position in a company.
