

ENTREPRENEURS IN ACTION

THURSDAY, 30 NOVEMBER
13:00 P.M. | AUDITORIUM, 5TH FLOOR

SPEAKERS

Mr. Lefteris Kouloumbri

Co-Founder of Realmint, a spin-off of the Aristotle University of Thessaloniki

RealMint provides intelligent software applications in the form of products or custom machine learning solutions for businesses. The company has already developed a retail demand forecasting system that is used by a major retail chain in Greece

Ms. Evelina Ribapova

Co-Founder of Family Habits

Family Habits is an application which helps families build healthier habits. The team behind the Family Habits app is a group of healthcare professionals, scientists and software creators who want to make healthy living more approachable to everyone

The event runs in the context of the Entrepreneurship & Small Business module

Attendance is mandatory for all Stage 3 students
