## Student Spring Symposium 2024 Join Students' Debate Session!

**Wednesday, 15 May 2024 | 10:00-14:00**

### **About the debate:**

How do you make a good investment decision and how can International Political Economy help you with that? Join the debate session on the best countries for investing in specific sectors and learn how to translate global phenomena impacting on supply chains such as pandemics, conflicts, migration trends, terrorism and financial flows into determinants for investment.

Module: **International Political Economy**  
Compulsory for 2nd stage students
